Message from the Fire Chief

Dear Applicant:

Welcome to the City of Niagara Falls Fire Fighter recruitment and selection process. This information packet will be an invaluable aid for you in explaining the recruitment process as well as an outline of some of the duties and responsibilities for the position of Fire Fighter.

Please read the information carefully. **Failure to follow directions or meet minimum qualifications at any of the stages of the recruitment and selection process will result in your application being disqualified.**

All costs with respect to the written and physical assessments will be incurred by the applicant.

All inquiries regarding this process should be made to **Human Resources** (905) 356-7521, ext. 6518.

Let me take this opportunity to wish you success in your undertaking to become a Fire Fighter for the Niagara Falls Fire Department.

Yours truly,

Jim Boutilier
Fire Chief

Position Information

This description reflects the general details considered necessary to describe the principle functions of the position identified, and shall not be construed as a detailed description of all the work requirements that may be inherent in such classification.

POSITION SUMMARY:

This is a skilled position entailing firefighting, rescue and other related emergency services. A fire fighter participates in programs for the prevention of fires and the saving of life and property. A firefighter is responsible for rapidly, efficiently and safely performing various duties under emergency conditions frequently involving considerable hazard. The work includes routine duties in the maintenance of fire fighting vehicles, equipment and fire department facilities. While specific orders and directions are received from an officer in the normal course of maintenance duties and firefighting, considerable independence of judgment and action is allowed in circumstances of extreme urgency where referral to a superior for instructions is not possible. A Fire Fighter is required to have a thorough working knowledge of all emergency equipment including emergency apparatus.

RESPONSIBLE FOR:

1. As a member of a platoon, responds to emergency calls, lays and connects hose, holds nozzles and directs streams, raises and climbs ladders, uses extinguishers and other equipment.
2. Provides rescue in various forms and first responder actions to hazmat calls.
3. Removes persons from danger and administers first aid to injured persons.
4. Ventilates buildings to release heat, smoke and gases and places salvage covers to prevent water damage.
5. As assigned, receives and records fire alarms and other emergency calls by telephone, electronic, or other means, and dispatches proper apparatus and equipment.
6. As assigned, drives and operates firefighting apparatus.
7. Performs varied maintenance tasks on apparatus, equipment and facilities.
8. When assigned to fire prevention work, under direction of an officer, performs inspections and administrative duties as required.
9. As required, assists with the preparation and delivery of training materials, drills, etc.
10. Performs related duties as assigned.

Qualifications

Mandatory qualifications are as follows:

- Be legally entitled to work in Canada
- A High School Diploma or equivalent
- Valid Class “D” Ontario Driver’s Licence with “Z” Endorsement or equivalent
- **Original Driver's Abstract required** (*Issued after September 1, 2019 will be accepted*)
- **Original Criminal Record Check required** (*Issued after September 1, 2019 will be accepted*)
- Current Standard First Aid and CPR (HCP - Health Care Professional) Certificates
- **Successfully complete**, in one day, the Aptitude Test (CPS), Clinical Assessment, Candidate Physical Ability Test (CPAT), Acrophobia Test and Fifteen (15) minute Tread Water Test as provided by Firefighter Services of Ontario.
- Be willing to meet all employment conditions as required by the City of Niagara Falls

Preferred qualifications are as follows:

- Post-Secondary Fire Services and Medical education.
- Sound knowledge, gained through either formal training and/or practical experience, of firefighting principles, practices and equipment.
- Sound knowledge of the principles, techniques and practices of, and materials used in, building construction.
- Familiarity with equipment and apparatus related to firefighting such as hydraulic equipment, pumps, self-contained breathing apparatus, communications equipment etc.
- Strong leadership and administrative skills, superior interpersonal skills, and the ability to work cooperatively as a member of an effective and professional team.

Promotional Process / Career Advancement

The City of Niagara Falls Fire Department offers many opportunities for promotion and advancement. It takes four (4) years to advance from probationary fire fighter to first class fire fighter. Through the Collective Agreement between the City and the Niagara Falls Professional Fire Fighters Association, there are opportunities for applicants to attain a rank above first class fire fighter and/or apply for positions in either the Fire Prevention Division or the Training Division.

Professional fire fighters applying to the City of Niagara Falls, if successful during the recruitment process, will be required to start at the probationary fire fighter level and salary.

Recruitment and Selection Process

Applicants must pass through all stages of the recruitment process. Those who fail to meet the required standards at any phase will be automatically disqualified.

STAGE 1: PICK UP INFORMATION

The **Application Form** and **Fire Fighter Recruitment Guide** can be accessed on the City's web site www.niagarafalls.ca under the **Careers and Employment** menu and by selecting **Employment Opportunities** starting March 22, 2021.

STAGE 3: SUBMIT APPLICATION

The completed application and resume including proof of all the mandatory qualifications (**except Criminal Check**) are to **be submitted to Firefighter Services of Ontario by 11:59 p.m. on June 13, 2021.** Successful applicants will be required to pay an application processing fee when submitting their application to Firefighter Services of Ontario.

STAGE 4: FIRST INTERVIEW and CRITICAL TESTING

The applicants will be selected based on the Firefighter Services of Ontario assessments, resume and qualifications. Interviews will be conducted by the Hiring Panel consisting of Fire Department senior officers and a Human Resources representative or alternate.

You will be required to arrive 15 minutes earlier in order to take a picture and answer a written question. Human Resources would like to take a picture of you to enable the interview committee to better track all the interviewees. The picture is optional. You will also be given a question to respond in writing. You will have five (5) minutes to answer the question. Criminal Record check or status of Criminal Record check will be required at the first interview.

Applicants moving to the first interview stage will complete a CritiCall Test conducted by the Niagara Falls Fire Department. This test is designed to assess the applicant's ability to multi task, which is a critical skill necessary not only in the performance of their duties as a fire fighter, but also in the performance of their duties as an Emergency Dispatcher in the Alarm Room. The CritiCall Testing will be scheduled on the same day as the first interview.

STAGE 5: SECOND INTERVIEW

Applicants invited for a second interview will be determined by the Hiring Panel. Two supervisory references will be required at this time.

STAGE 6: MEDICAL EXAMINATION

All qualified applicants will undertake a Medical Examination. Transportation costs will be the responsibility of the applicant. The medical will take approximately one hour to complete and may include medical review and physical completion forms, Vision scanner, Urinalysis and Audiogram. The medical will be based on NFPA 1582 standard.

A Hepatitis B vaccination will be required.

STAGE 7: OFFER OF EMPLOYMENT

If reference checks satisfactorily, a job offer will be made to the successful applicants.
